Jason: As you saw from Jared's email, we put the TMDL Vision discussion on our agenda for this Wednesday. Did you send me your spreadsheet? Please send me a copy. Might make it easier to go over if we were looking at something. Thanks. Janet

Hi Janet,

Were you able to connect with Cindy Lin? Krista and I have filled in the spreadsheet but would like to discuss the details to be sure we are on the same page as R9. Let me know what will work best for you two.

Jason

Let's have a separate discussion, since we should involve Cindy Lin for any discussion on Vision priorities. Or I will talk to Cindy today to see if we can cover towards end of our 8/12 meeting. Janet

Hi Janet,

As I understand it, ADEQ is supposed to have a list of draft target waters to R9 by 7/31/15, correct?

Should we add this as an agenda item for the 8/12 call or schedule a separate meeting? I am sure there will be questions from both sides. We will use the spreadsheet send out by ACWA and adjust as needed.

Thanks,

Jason
